Classified & Bid Ad Rates

10"
x2 clm
Bid

Bids, Sub-Bids and Classified advertising cost \$18.50 per column inch in a five column format on a 10.25" wide page. Call or email for immediate proof and quote before placement. Bid proofs are done in a two-column wide format; for example a 10 inch tall bid is 2 columns by 10 inches, for a total of 20 inches, so it's price is 20 x \$18.50 = \$370. A classified is done in a 1-column format; so a 10 inch classified costs \$185.

Welcome to Contracts & Construction Works. This is the ideal resource for placing contract ads, career advertising and display ad information. Your ads are accompanied by spot-on articles related to construction projects and career news.

We continually strive to meet the needs and concerns of a demanding world of immediate information regarding what's going on and what's advancing in this the ever-changing media of the world, connecting our avid readers with our advertising clients. We are published twice weekly to keep a fresh pace with the information cycle.

Our diverse readership anchored in the Northwest and its surrounding metropolitan areas, but also includes news and advertising nationally.

We spread the word with a circulation of 30,000; targeting all aspects of career and contractual work. Join us by selecting the advertising options that work best for you. Call us for classified ad placement, with timely proofs and price quote, or by display advertising from the options below.

Discounted rates may be given for repeated ad placement.

Display Ad Specifications

Display ad material is due by the day before publication. Preferred format is a high resolution jpg (300 dpi) or PDF file. Email ads to your ad sales contact or to: service@contactsconstructionworks.com
